

Analiza bazy ProQuest Dissertations and Theses pod kątem rozpraw doktorskich i prac naukowych przypisanych do słowa kluczowego „bibliotherapy”

Analysis of the ProQuest Dissertations and Theses database – doctoral dissertations and research papers assigned to the keyword “bibliotherapy”

Abstrakt

Analizie zostaną poddane rozprawy doktorskie i prace naukowe wyszukiwane poprzez słowo kluczowe „bibliotherapy” (biblioterapia) w bazie ProQuest Dissertations and Theses.

Słowa kluczowe

biblioterapia, biblioterapia jako nauka, ProQuest Dissertations and Theses, biblioterapia bazy danych, biblioterapia bibliografia

Abstract

There will be examined dissertations and theses searched by keyword “bibliotherapy” (bibliotherapy) in ProQuest Dissertations and Theses database.

Keywords

bibliotherapy, bibliotherapy as a science, ProQuest Dissertations and Theses, bibliotherapy database, bibliotherapy bibliography

Przedmiotem niniejszej analizy będą rozprawy doktorskie i prace naukowe wyszukiwane poprzez słowo kluczowe „bibliotherapy” (biblioterapia) w bazie ProQuest Dissertations and Theses. W analizie zostaną podane następujące informacje: liczba wszystkich dysertacji, które znajdują się w bazie oraz liczba dysertacji z dostępem do pełnego tekstu; daty publikacji dysertacji, tematy oraz słowa kluczowe przypisane do dysertacji, Uniwersytet/Instytucja, w której powstały dysertacje, lokalizacja Uniwersytetu/Instytucji, język publikacji. Zostanie również przedstawiona bibliografia rozpraw doktorskich i prac naukowych z dostępem do pełnego tekstu przypisanych do słowa kluczowego „biblioterapia”.

ProQuest Dissertations and Theses (A&I) – to abstrakowo–indeksowa wersja bazy rozpraw doktorskich i prac naukowych (PQDT), która zawiera indeksy do ponad 2 mln dysertacji amerykańskich oraz wybranych europejskich rozpraw i prac naukowych, wydawanych od 1861 roku do dnia dzisiejszego. Katalog udostępnia streszczenia do prac

doktorskich opublikowanych od lipca 1980 i prac magisterskich publikowanych od 1988 roku. Baza oferuje dostęp do (ok. 10 %) – 24 stron większości rozpraw wydanych po 1997 roku. Zawiera też informacje na temat dostępności dysertacji.

Dysertacje i prace dyplomowe ProQuest Dissertations & Theses – dostęp do pełnego tekstu oraz bez dostępu do pełnego tekstu.

Liczba i daty publikacji

Do słowa kluczowego „bibliotherapy” w bazie ProQuest Dissertations & Theses jest przypisanych 2924 wyników wyszukiwania. W roku 2016 zostało opublikowanych 58 dysertacji, a w roku 2015 – 98. Na przestrzeni lat widoczny jest wzrost liczby prac doktorskich i naukowych przypisanych do słowa kluczowego bibliotherapy. W ciągu dekady 1950–1959 zostało opublikowanych 30 prac; 1960–1969: 32; 1970–1979: 197; 1980–1989: 352; 1990–1999: 620; 2000–2009: 996; w bieżącej dekadzie 2010–2019 zostało opublikowanych 697 dysertacji naukowych.

Temat

Do tematu „psychotherapy” zostało przypisanych 861 dysertacji naukowych, clinical psychology – 420, academic guidance counseling – 302, educational psychology – 281, developmental psychology – 192, mental health – 180, womens studies – 180, social psychology – 174, psychology – 155, sociology – 151, counseling psychology – 140, criminology – 140, elementary education – 126, language arts – 120, special education – 117, families & family life – 109, personal relationships – 108, behavioral sciences – 106, teaching – 106, curricula – 105, reading instruction – 95, literacy – 94, social work – 90, religion – 84, behavioral psychology – 77, teacher education – 70, nursing – 68, public health – 67, cognitive therapy – 59, education – 58, school counseling – 57, gerontology – 56, health education – 55, adult education – 54, american literature – 52, individual & family studies – 52, library science – 48, secondary education – 48, school administration – 46, multicultural education – 45, physiological psychology – 44, continuing education – 43, higher education – 43, bilingual education – 40, personality – 40, preschool education – 39, cognitive psychology – 37, african americans – 35, curriculum development – 34, therapy – 34, literature – 32, spirituality – 32, minority & ethnic groups – 30, communication – 28, occupational psychology – 27, mathematics education – 26, psychological tests – 26, rehabilitation – 26, american studies – 24, rhetoric – 24, cultural anthropology – 22, educational sociology – 22, glbt studies – 21, black studies – 20, philosophy – 20, psychobiology – 20, american history – 19, religious education – 19, early childhood education – 18, composition – 17, educational software – 17, gender stud-

ies – 17, oncology – 17, african american studies – 16, educational leadership – 16, experiments – 16, middle school education – 16, theology – 16, british and irish literature – 15, education history – 15, educational evaluation – 15, personality psychology – 15, clergy – 14, educational theory – 14, ethnic studies – 14, modern literature – 14, gifted education – 13, music – 13, aging – 12, mass media – 12, studies – 12, fine arts – 11, nutrition – 11, perceptions – 11, social studies education – 11, folklore – 10, health care – 10, medicine – 10, military studies – 10, motion pictures – 10.

Termin indeksu (słowo kluczowe)

Dysertacjom naukowym wyszukiwanym pod terminem indeksu „bibliotherapy” zostały przypisane następujące słowa kluczowe: bibliotherapy – 84 publikacje, depression – 83 publikacje, intervention – 68, children – 63, counseling – 56, adolescents – 55, children’s literature – 55, psychotherapy – 55, treatment – 47, women – 46, anxiety – 40, coping – 40, spirituality – 40, adolescent – 34, african – american – 31, self – help – 30, therapy – 30, trauma – 29, cognitive – behavioral therapy – 28, older adults – 26, play therapy – 26, stress – 26, gifted – 25, domestic violence – 24, group therapy – 23, college students – 22, girls – 22, reading – 22, recidivism – 21, teachers – 21, alcohol – 20, men – 20, parents – 20, resilience – 20, attachment – 19, eating disorders – 19, gender – 19, identity – 19, recovery – 19, at risk – 18, mental health – 18, sexual abuse – 18, substance abuse – 18, self – efficacy – 17, autism – 16, bereavement – 16, cognitive behavioral therapy – 16, elderly – 16, grief – 16, mindfulness – 16, motivational interviewing – 16, narrative – 16, religion – 16, bullying – 15, childhood sexual abuse – 15, multicultural – 15, posttraumatic stress disorder – 15, prison – 15, internet – 14, interventions – 14, social skills – 14, boys – 13, counselors – 13, gay – 13, middle school – 13, motivation – 13, poetry – 13, prevention – 13, self-esteem – 13, acceptance and commitment therapy – 12, empathy – 12, healing – 12, lesbian – 12, parenting – 12, sexual abuse – 12, social support – 12, suicide – 12, bibliotherapy – 11, counselor education – 11, divorce – 11, exercise – 11, family – 11, mental illness – 11, smoking cessation – 11, anxiety disorders – 10, attention deficit hyperactivity disorder – 10, cancer – 10, caregivers – 10, christian – 10, chronic pain – 10, elementary school – 10, phenomenology – 10, primary care – 10, siblings – 10, special education – 10, stages of change – 10, young adult literature – 10, adolescence – 9, adolescent literature – 9, anger management – 9.

Uniwersytet/Instytucja (20 pierwszych rekordów)

W Hofstra University zostało opublikowanych 70 dysertacji naukowych, The Ohio State University – 56, The Chicago School of Professional Psychology – 54, The Union Institute – 53, The Pennsylvania State University – 42, University of Illinois at Urbana – Champaign – 42, The Florida State University – 41, Temple University – 40, Walden University – 40, Alliant International University – 39, Regent University – 36, Universi-

ty of Southern California – 33, Alliant International University, San Francisco Bay – 32, Capella University – 31, University of North Texas – 30, University of Toronto (Canada) – 30, New York University – 29, Brigham Young University – 26, Indiana University – 26, University of Hartford – 26, Texas Woman's University – 25.

Lokalizacja uniwersytetu/instytucji

Najwięcej prac doktorskich i naukowych zostało opublikowanych w USA, z kolei w stanie California zostało opublikowanych najwięcej prac przypisanych do słowa kluczowego „bibliotherapy” bo aż 377, następnie w Ohio – 223, New York – 214, Illinois – 201, Pennsylvania – 170, Texas – 159, Canada – 125, United States – Virginia – 117, Florida – 116, Minnesota – 87, Massachusetts – 72, Michigan – 65, Indiana – 61, Arizona – 60, New Jersey – 57, Colorado – 52, Utah – 41, Connecticut – 40, Tennessee – 40, Louisiana – 39, North Carolina – 39, Washington – 38, Alabama – 34, Wisconsin – 33, Maryland – 31, Missouri – 30, Oklahoma – 30, Nevada – 28, Mississippi – 25, New Mexico – 25, Iowa – 24, Kentucky – 24, England – 22, United States – Nebraska – 22, Oregon – 22, Kansas – 19, Georgia – 18, District of Columbia – 16, South Carolina – 15, Hawaii – 12, Montana – 12, South Dakota – 10, Delaware – 8, North Dakota – 8, Wyoming – 8, Arkansas – 7, New Hampshire – 7, West Virginia – 7, Rhode Island – 6, India – 5, United States – Maine – 5, Idaho – 4, Hong Kong – 2, South Africa – 2, Spain – 2, Wales – 2, Australia – 1, Ireland – 1, New Zealand – 1, Northern Ireland – 1, Scotland – 1, Sweden – 1.

Język

2917 dysertacji naukowych zostało opublikowanych w języku angielskim, 5 w j. francuskim, 2 w j. hiszpańskim, oraz 1 praca w j. szwedzkim.

Dysertacje i prace dyplomowe ProQuest Dissertations & Theses – dostęp do pełnego tekstu

Baza ProQuest Dissertations & Theses zapewnia dostęp do pełnego tekstu aż 80 prac doktorskich i prac dyplomowych wyszukiwanych za pomocą indeksu „bibliotherapy”.

Daty publikacji

W 2007 r. opublikowano 4 prace doktorskie bądź dyplomowe, w 2008 – 7, 2009 – 7, 2010 – liczba rekordów 8, 2011 – 11, 2012 – 11, 2013 – 9, 2014 – 11, 2015 – 10, 2016 – 2.

Temat

Do tematu „clinical psychology” przypisano 25 prac, counseling psychology – 14, mental health – 11, behavioral psychology – 10, cognitive psychology – 9, developmental psychology – 8, psychology – 8, psychotherapy – 5, educational leadership – 4, educational psychology – 4, gifted education – 4, public health – 4, special education – 4, women studies – 4, adult education – 3, gerontology – 3, literacy – 3, multicultural education – 3, nursing – 3, reading instruction – 3, school counseling – 3, social psychology – 3, behavioral sciences – 2, early childhood education – 2, elementary education – 2, gender studies – 2, health education – 2, library science – 2, pastoral counseling – 2, school administration – 2, school systems – 2, social research – 2, social work – 2, academic achievement – 1, academic guidance counseling – 1, african american studies – 1, aging – 1, alternative education – 1, alternative medicine – 1, american literature – 1, behavioral sciences – 1, biblical studies – 1, bilingual education – 1, black studies – 1, cognitive therapy – 1, communication – 1, community college education – 1, comparative – 1, comparative literature – 1, criminology – 1, curricula – 1, curriculum development – 1, drug therapy – 1, educational sociology – 1, educational tests & measurements – 1, epidemiology – 1, experimental psychology – 1, film studies – 1, folklore – 1, gays & lesbians – 1, glbt studies – 1, head start project – 1, health sciences – 1, higher education – 1, individual & family studies – 1, information science – 1, language arts – 1, literature – 1, mass media – medicine – 1, middle eastern studies – 1, middle school education – 1, military studies – 1, music – 1, occupational health – 1, organizational behavior – 1, parents & parenting – 1, peace studies – 1, pedagogy – 1, perceptions – 1, personality psychology – 1, physiological psychology – 1, post traumatic stress disorder – 1, preschool education – 1, professional development – 1, psychological tests – 1, public schools – 1, quantitative psychology – 1, rehabilitation – 1, religion – 1, religious education – 1, rural schools – 1, school discipline – 1, school violence – 1, speech therapy – 1, spirituality – 1, teacher attitudes – 1, teaching – 1, therapy – 1, writing – 1.

Termin indeksu (słowo kluczowe)

Dysertacjom naukowym wyszukiwanym pod terminem indeksu „bibliotherapy” zostały przypisane następujące słowa kluczowe: depression – w 5. pracach, adolescents – 4, anxiety – 4, bibliotherapy – 4, cognitive behavioral therapy – 4, counseling – 4, older adults – 4, treatment – 4, narrative – 3, psychotherapy – 3, recovery – 3, self-help – 3, abuse – 2, assessment – 2, attitudes – 2, children – 2, children’s literature – 2, christian education – 2, cognitive-behavioral therapy – 2, competency – 2, coping – 2, creativity – 2, culture – 2, diagnosis – 2, dialectical behavior therapy – 2, inpatient – 2, mental health – 2, middle school – 2, mindfulness – 2, motivational interviewing – 2, parents – 2, phenomenology – 2, rational emotive behavior therapy – 2, sexual – 2, spe-

cial education – 2, stress – 2, substance abuse – 2, therapy – 2, academic – 1, academic failures – 1, academic programs – 1, acceptance and commitment therapy – 1, acceptance and commitment therapy – 1, accountability – 1, action research – 1, addiction – 1, addiction recovery – 1, adhd – 1, adler – 1, adler, alfred – 1, adlerian therapy – 1, administrators – 1, adolescent females – 1, adolescent literature – 1, adults – 1, african american women – 1, african – american – 1, aging – 1, alfred adler – 1, anger – 1, anxiety disorders – 1, aphrodite – 1, archetypes – 1, art-based education and social action – 1, art-based multicultural research – 1, artists – 1, arts – 1, at risk – 1, at risk students – 1, attention placebo – 1, attrition – 1, audio program – 1, autism – 1, autism knowledge – 1, autoethnography – 1, barriers to cbt homework completion scale – 1, beauty and the beast – 1, behavior – 1, boys – 1, brainwashing – 1, brief psychotherapy – 1, cancer – 1, case study – 1, change processes – 1, changes in children’s literature – 1, changes in children’s literature with rise of television – 1, chaplain – 1, chick flicks – 1, child and adolescent – 1, child psychology – 1, child psychotherapy – 1, childhood depression – 1, choice theory – 1, christian – 1, christian college students – 1, christian colleges – 1, christian fundamentalism – 1, clients and family – 1, coaching-based – 1, cognitive behavioral – 1.

Uniwersytet/Instytucja

Pepperdine University – 7, Capella University – 4, Regent University – 3, State University of New York at Albany – 3, Alliant International University – 2, Biola University – 2, Fordham University – 2, Lesley University – 2, Northern Illinois University – 2, The Chicago School of Professional Psychology – 2, The University of North Carolina at Greensboro – 2, University of Arkansas for Medical Sciences – 2, University of Nevada, Reno – 2, University of Pennsylvania – 2, University of Phoenix – 2, University of Rochester – 2, University of South Florida – 2, Walden University – 2, Alliant International University, San Francisco Bay – 1, Argosy University/San Francisco Bay Area – 1, Argosy University/Sarasota – 1, Argosy University/Seattle – 1, Auburn University – 1, Ball State University – 1, East Carolina University – 1, Indiana University of Pennsylvania – 1, Institute of Transpersonal Psychology – 1, James Madison University – 1, Loyola Marymount University – 1, Massachusetts School of Professional Psychology – 1, Northeastern University – 1, Notre Dame of Maryland University – 1, Nova Southeastern University – 1, Pacifica Graduate Institute – 1, Saint Mary’s University of Minnesota – 1, Saybrook University – 1, Southeastern Louisiana University – 1, The University of Alabama – 1, The University of Arizona – 1, The University of Iowa – 1, The University of Mississippi – 1, The University of Oklahoma – 1, Union Institute and University – 1, University of Louisiana at Lafayette – 1, University of Louisville – 1, University of Missouri – Kansas City – 1, University of Missouri – Saint Louis – , Uni-

versity of North Texas – 1, University of Pittsburgh – 1, University of South Carolina – 1, University of South Dakota – 1, Virginia Commonwealth University – 1, Wayne State University – 1.

Lokalizacja Uniwersytetu/Instytucji

United States – California – 17, Minnesota – 7, New York – 7, Virginia – 5, Florida – 4, Illinois – 4, Massachusetts – 4, Pennsylvania – 4, Arizona – 3, North Carolina – 3, Alabama – 2, Arkansas – 2, Louisiana – 2, Missouri – 2, Nevada – 2, Indiana – 1, Iowa – 1, Kentucky – 1, Maryland – 1, Michigan – 1, Mississippi – 1, Ohio – 1, Oklahoma – 1, South Carolina – 1, South Dakota – 1, Texas – 1, Washington – 1.

Wszystkie dysertacje (80) zostały opublikowane w j. angielskim.

Podsumowanie

Analiza bazy ProQuest Dissertations and Theses jednoznacznie wskazuje, że rozprawy doktorskie jak i prace dyplomowe z zakresu biblioterapii powstają w licznych północnoamerykańskich uniwersytetach i instytucjach naukowych, a ich liczba systematycznie wzrasta z biegiem lat. Tematy dysertacji w większości wpisują się w dziedzinę psychoterapeutyczną i psychologiczną a tym samym umiejscawiają biblioterapię w obszarze nauk społecznych.
